

# SUMMER NEW COVENANT CLASS STUDY

We decided that we will continue to meet on electronically ZOOM for the time being since a majority of our class is in the Covid-19 susceptible group.

We will be discussing next Eugene Peterson's *Where Your Treasure Is* (a study of various Psalms). Get your own copy from Amazon (used \$6-8 with postage; new copies are \$13.49).

On May 31, we will begin with a peek preview of the preface and Psalm 2, but we won't start the study until the following week, when Norrie Friesen will lead on Ch. 2. Jim O'Donnell will subsequently lead Psalm 87.
