

Jean Michelson has compiled the following list of prayer concerns as of April 4, 2020. Let Paul Michelson (pmichelson@huntington.edu) know of additional or amended concerns and he will add it to the list or if an item needs to be deleted. We will revise this list from time to time.

- Wes and Jean Bell: Ask God to draw Wes's brother Larry to Him.
- Dwight and Ann Ericsson: Request prayer for their granddaughter Danae who is filled with anxiety. Get her to the help she needs.
- Robert and RoseMarie Waddell: They are grateful for a nice visit with their daughter Candice who has now returned to North Dakota.
- sd—Diane Waddell: Strength and Wisdom in these trying times. Her father passed away and then David had heart trouble. For the last two weeks she has been caring for her Uncle Max, who is on hospice. She is very tired and needs sleep and wisdom with end of life decisions with her uncle.
- Jerry and Koneta Wright: Need guidance in making wise decisions about their internet/computer problems. Pray for Jerry as he is making progress on his book (now estimated to be several thousand pages long without counting illustrations).
- Jim and Lorrie O'Donnell: Pray for a safe trip to Texas (left March 23) and good hospital visit for Jim. Lorrie requests prayer for her son Gabe and current issues.
- Tom and Jan King: Pray for them as they work with their neighbor who is in declining health.
- Dennis and Jane Kern: Need continuing prayer for various medical issues.
- Paul and Jean Michelson: Need God's guidance on transplant matters. As of last week, all transplants are on hold in Indiana as "non-essential surgery."
- Allen and Carol Morehead: Pray for continuing health needs.
- Anne Fetrow: Pray that she continues to keep her meds regulated and that they might find a larger apartment in Columbus.
- The Datemas: Pray for their ministry and their special needs child.
- Carol Brenneman: Pray for her chronic fatigue syndrome, for her editing work with Wycliffe, and the current needs of her two sons.

GENERAL PRAYER CONCERNS

- Pray for College Park Church as we go through the transition to our new pastor. Pray that Pastor Jason will be able to sell their house in Illinois.
- Pray for our church board as they try to navigate us through unfamiliar waters.
- Pray that our church finances can be maintained at appropriate levels.
- Pray for wisdom for our national, state, and local leaders. OK, why not expect miracles?

—Pray for the spiritual development of our class and College Park despite the limitations under which we have to operate.
